

Carl Hager

I started flying at the age of 16 and obtained my PPL at age 17. In 1979, I joined SAA as a P3 on the B747 after a spell with Namakwaland Airways. As a P2, I flew the B727, B737, A300 and B747 Classic. I flew the A300 and B747 Classic as a P1 and am currently flying the A340 series as a P1

Over the years, I have served on numerous committees on SAAPA and was part of the steering committee that saw the birth of ALPA-SA. I currently head the Security Committee on behalf of ALPA-SA.
